

IMPORTANT NOTICE TO ALL CORPBANK CARDHOLDERS

Dear Cardholders,

We would like to inform our esteemed customers that w.e.f 01/11/2014, The number of mandatory free ATM transactions for savings bank account customers at other banks' ATMs is reduced from the present five to three transactions per month (inclusive of both financial and non-financial transactions) for transactions done at the ATMs located in the six metro centres, viz. Mumbai, New Delhi, Chennai, Kolkata, Bengaluru and Hyderabad.

The reduction will, however not apply to small/no frill/basic savings bank deposit accountholders.

If transactions are carried out at both the six metro centres and other locations, the total number of transactions (inclusive of both financial and non-financial) free of charge at other bank ATMs would continue to remain at FIVE.

Notwithstanding the above change, even after 01/11/2014

- All Corpbank customers shall continue to enjoy unlimited free cash withdrawals, balance enquiry, mini statement etc at CorpBank ATMs.
