

**NOTICE TO ALL DEBIT CARDHOLDERS –REVISION IN CURRENCY CONVERSION
FEE W.E.F 01.10.2014**

Dear Debit Cardholders,

We would like to inform our esteemed cardholders that considering the cost escalations, the Currency Conversion fee for International transactions done through the Debit Cards (all variants) is being revised to 3% (service tax extra) from 1st October, 2014.

We are sure that, even with the increase in the currency conversion charge, our customers will continue to find value in the card considering the unparalleled convenience the card offers when transacting in foreign currency.

Your understanding and co-operation is solicited.

Yours Faithfully,
