NATIONAL PENSION SYSTEM (NPS)

NPS, regulated by PFRDA, is an important milestone in the development of a sustainable and efficient voluntary defined contribution pension system in India. It has the following broad objectives:

. To provide old age income
. Reasonable market based returns over the long term
. Extending old age security coverage to all citizens

Some of the distinctive features of NPS are:

- **Prudentially regulated** - NPS is regulated by PFRDA, with transparent investment norms & regular monitoring and performance review of fund managers by NPS Trust.

- **Portable** – NPS account is portable across geographies and employment.

- **Flexible** – Flexibility to choose Pension Fund Managers, investment option, Annuity Service Provider and Annuity schemes.

- **Low Cost** - NPS is one of the world’s lowest cost pension schemes.

- **Simple and Web enabled/online**: All transactions can be tracked online through CRA system. Employee can check fund, NAV and contribution status through CRA website.

NPS is designed on Defined contribution basis wherein the subscriber contributes to his account till the age of 60. A Subscriber has 3 options for his investments (E, C and G):

- **High Risk High Return (E)**: Investments in predominantly equity market instruments.

- **Medium Risk Medium return (C)**: Investment in fixed income instruments and government securities.

- **Low risk low return (G)**: Investment in government securities.

The greater the value of the contributions made, larger would be the regular monthly pension delivered after 60.

Under NPS account, two types of accounts are offered. Salient features are as follows:
a) **Tier-I account:** This is a non-withdrawable retirement account which can be withdrawn only upon meeting the exit conditions prescribed under NPS.

b) **Tier-II account:** This is a voluntary savings facility available as an add-on to any Tier-1 account holder. Subscribers will be free to withdraw their savings from this account whenever they wish. Tier II is not eligible for tax benefit.

*investment options and tier II account is not available for NPS-LITE (Swavalamban) scheme.*

---

**NPS – LITE (SWAVALAMBAN) SCHEME**

1. NPS–LITE (SWAVALAMBAN) Scheme was launched in recognition of the need to provide old age income security to marginal income earners and to economically disadvantaged sections of the society, as part of Governments initiative towards Financial Inclusion. The Govt. of India will contribute Rs.1000/- per year to every NPS-Swavalamban account, provided the contribution made by the account holder is between Rs.1000/-to Rs.12000/- per year.
2. NPS – Swavalamban account opened in the period 2014-2015 to 2016-2017 will get the Government benefit of Rs 1000/- per year up to 2016-17.

3. A citizen of India, who belongs to the unorganized sector, can open NPS –Lite (Swavalamban account based on the following conditions:

   a) Should be between 18 – 60 years of age as on the date of submission of his/her application.
   b) Subscriber should not be covered under social security scheme like Employees’ Provident Fund and Miscellaneous Provision Act, The Coal Mines Provident Fund and Miscellaneous Provision Act etc.

4. Customers can submit the application at any of our Bank Branches with following documents:
   a) Address and id proof.
   b) Minimum contribution amount of Rs 100/ at the time of application submission.

5. Though there is no minimum contribution requirement per year, minimum contribution of Rs. 1000/-per year is recommended to avail Government benefit. However it may be remembered the higher contribution amount will yield higher pension and since Government benefit is available for contribution up to Rs 12000/- per year, it may be desirable to save higher amounts in your NPS-Swavalamban account.

6. In NPS lite scheme, no charges for new registration and further contribution.

For more information about the scheme, you may visit “http://pfrda.org.in/”.
